

I Celebrate the Lord

Brandon Bee

Key of B

Verse 1:

When the thunder sounds around me
When the rain is falling down
I'll be looking for a refuge
In this town
I'll be a seeker finding nothing
A sheep with a broken leg
But You're the shepherd, Your the hope
When I'm lost, You show me the way

Chorus:

I ce le brate the Lord
You're the God of understanding
You're the God of love
You give me strength to stand
When the world is falling on me
You're the God of love

Verse 2:

When darkness comes upon me
With the breaking of my heart
I'd wish my life would have never had a start
But Your quiet voice reminds me
You overcame my grave
Your the shepherd, your the hope
And when I'm lost you show me the way!

Bridge:

I Celebrate, I Celebrate
I Celebrate my Lord
I Celebrate, I Celebrate

I Celebrate my Lord
