

# Radiant Sun (Give Thanks to the One)

Brandon Bee/Lauren Gruber

Key of C

## Verse 1:

C G/B  
The glory of Your face  
F  
Is brighter than a day light  
Am G  
I would never see the moon-rise  
C G/B  
The reflection of You  
F  
Is more than a shadow  
Am G  
Or a flash upon my eyes

## Prechorus:

Dm C/E F C/E  
Your grace is a binding redemption  
Dm C/E G  
Your love has saved me from myself

## Chorus:

C G/B  
I give thanks to the One, The radiant sun  
Dm F  
My fears are all gone, My hope has begun  
C G/B  
A new day's arrived, As my old life resigns  
Dm C/E F  
The light overcomes, What darkness had won  
C  
I give thanks to the One

## Verse 2:

The mention of Your name  
Is more than a flicker  
You're the lamp unto my feet  
The power of Your voice  
Speaks the world into existence  
And earth and heaven meet

## Bridge:

Dm C/E  
Your grace has saved me  
F G  
Your love has saved me

Am G F  
Your mercy calls me home
